We want to & can make anything "your way". Just please be clear with us when ordering: Only because one of the things we can't do is read our valued customers minds. 😊

Our pledge is to only the finest ingredients, because we believe name brands are far superior than generic brands.... Such as Hellman's Mayo, Tropicana, Boar's Head, Philly Cream Cheese, Perdue, Tyson, etc...

They cost little more, but we feel you, the customer knows the difference!
